“ Mrs. Aaron was my kindergarten teacher in Ashley in 1988. She was always such a positive teacher with what appeared to be an unlimited amount of energy. I have so many fond memories of my time in her care from the Letter People entering the classroom to getting a chance to walk across the balance beam after a restroom break. Mrs. Aaron inspired me to become a teacher but more importantly I became a kindergarten teacher. I will always be grateful to be a part of her legacy.
