“ *I wish I had the chance to know you Amelia. I bought Amelia's home and the neighbor has shared fond memories of her. I enjoy the stories. She sounded like a beautiful person inside and out. I was sad to here of her passing. Although I didn't get the chance to write and introduce myself, I feel I know her through stories shared. I'm sure she is in the arms of her beloved husband again and surrounded by so much love. I will light a candle for her.*
