“ I worked with Angie at the Community Living Center (CLC) at the VA on the evening shift. She was a good nurse who took good care of the residents and took time to speak with them. She always made them feel good. She had a good heart. I know she loved her family very much and spoke of them often. She loved her pets and would share pictures of them. Sometimes when I was at work and she was home, she would send me a text saying, "Do you miss me" followed by a smiley face. Yes Ms Angie, I miss you very much.
