“ I didn't have the privilege to know Ann for very long, but in the short time I have known her she was a live wire. We did a meet Santa at Autumn Ridge and she came and sat on my lap 3 times. She said the god thing about being old is that she couldn't remember if she had already been there or not! One of the times she grabbed me by the beard and kissed me an said "I like younger men" and chuckled as she walked away. I have to say I will remember this for the rest of my life, after all I had never been kissed by a 102 year old women before! Love you Ann you will be greatly missed!!

“ I was so sorry to hear of Ann's passing. She & my mom, Freida Wilson, were great friends. Mom missed her so much after she moved from the Cambridge Manor apartments. She always enjoyed it when Bain brought her to visit. I loved hearing her stories & views on life in general! My condolences to the family.

*I am so sorry for the sadness you must feel with Ann's passing. I had the honour of taking care of her while she was at hillview. I remember the very first day she came to us after she had broke her ribs. She was a very spunkey lady and quite a handfull that first night. My daughter and I still laugh about getting our rears kicked by a 102 year old woman. I loved her she is how I'd like to be when I'm that old. Thank you for the opportunity to take care of her and get to know her. God bless you all.*
