“ I send heartfelt sympathy to your family. I was sadden to hear of Barbara's passing. She loved working with kids. I believed she especially enjoyed Early Childhood Children. Barbara would make something or buy to add her special touch. She went above and beyond what was expected for the betterment of the kids. She would share her love for her family. Oh, the grandkids!!! She showed them off all the time. May God's peace sustain you during this most difficult time.
