“ *Scott and Tracy,  
It was a terrible shock to learn of your parents accident this week.  
We have been close friends of their's and your Clark grandparents  
since 1957 when we moved to Martinsville to teach agriculture.  
Later we met often in Florida during the winter.  
With those wonderful memories I can only offer you and your  
children my deepest sympathy which seems so little.*  
*Sincerely,*

“ Aunt Betsy was one of the most artistic people ever. She and Uncle Rex would come to Denver every year and one year she brought a new toy - a "bedazzler" like iron-on craft kit. She made a beautiful shirt for Rebecca with an angel on it. She would also take things back with her to work on, like our Christmas stockings that she embroidered with our names. We will cherish those stockings for years to come. Tom remembers when he was little she would make him eat his vegetables! She was a wonderful, artistic and loving Aunt and we will miss her.
