“ *Bill always had a way of making everything better, whether it was work, a life situation, cooking, relaxing or a crisis. He has been our greatest friend for so many years since introducing us, being the best man at our wedding, helping us move every time, helping through the bad times, and everything else. He was always there no matter what. We so enjoyed his company, our many long-distance trips to spend time together, our phone calls, everything. Bill was a very, very special person and we will miss him terribly.##imported-begin##Stan and Suzanne Obrycki##imported-end##*
