“ I first met Bill when I was about 14 and he was 21 or 22. I'm now 73. He took me and others my age hunting and fishing many times. I still remember many of those times so vividly. I even traveled to IL to stay with him and Deloris when I was 16 just to hang out and coon hunt with him. He was one of the nicest people on this earth and will be sadly missed.
