“ Christians never have to say "Good bye" just "See you later". I still remember Paul Hunsaker and B. Jo singing "Hey, Paula" a popular song at the time. I think it was in an assembly pep rally, afternoon of a Basketball game.

“ *The the family:
B.Jo was a very considerate and loving person. She always had a smile on her face and enjoyed talking to numerous people, even the ones she did not know. She was very compassionate to her family and would do anything in the world for them. She will be greatly missed by family, friends, and by people that did not have the opportunity to know her.*

“ *We love the picture the family chose. It really captures the B. Jo we all knew and loved. She was spunky, fun, caring, and someone who would always be there for her friends. She leaves behind lots of memories for all who had the privilege of knowing her. Our thoughts are with the family during this time. Eric and Lisa Whittington*

“ B Jo - What can I say about such a wonderful, fun person? I have so many memories of laughing with B Joe's at her parents' house when we were in high school - along with Lareva. She was the first person I told when I found out I had diabetes, because I knew she'd give me her full support and still love and accept me just the way I was. B Jo was a truly beautiful person inside and out. I never saw her when her makeup wasn't perfect or her hair not beautiful. I was playing the piano this week and several were some of the songs B Jo used to sing, thinking about her beautiful voice. Now she can sing again in Heaven! To her daughters, God will be with you through this as He always is. With deep sympathy, Susan Cummins Cochran
