“ *Brayden was an awesome Great Nephew. He  
loved his Mother and Grandfather and all of  
the family so very much. I loved dancing with  
Brayden and when he was young I taught him  
how to pretend to spelunk through the house  
like we were at Mammoth Cave. He had a beautiful smile and would  
light up a room making everyone feel at home. I remember him  
singing to the radio. He had a very good voice. He loved hunting  
season and being with his Grandfather Mike. My heart jumped with  
joy and thanksgiving when he accepted Christ. We love him, will  
miss him but he will remain in our hearts until we meet again and  
can dance and sing in Heaven.*
