I remember Carla as a happy, free spirit with a heart of gold and a love of life. I only knew her for a few years, but she was kind and interesting to talk to. I'll never forget watching her fix a complete meal in a dutch oven over an open fire in her mom's backyard a few years ago. Carla you will be missed.

“ Carla would give a friendly smile and wave every time I passed her home in Reevesville where she was often seen planting flowers in her front yard. Her friendliness will be missed. Our prayers for Gods comfort to her family.
