“ Christine,
I am so sorry to hear about Cecil. Over the years, I have often times thought of the great fun (it was work at the time) we had hauling hay during the summer of 1965. Working all day and then stopping around 11 PM for home made ice cream and a game of basket ball. There were so many funny things that happened that have become wonderful stories over the years. I thank you and Cecil for giving me the work ethic that has carried me through all of these years. May God comfort and keep you and your family during this time of sorrow.
Your friend,
Ron Taylor
