“ *Was one of my best friends growing up. He gave me one of my best gifts one birthday: a parakeet we decided to call "FIFI". I remember you Jarrod with such tenderness, the water fights, the bike rides around our neighborhood, making homemade ice-cream, playing and laughing all the time! I remember what you told me about wearing jeans "that's what they are for, you wipe your hands on them and you don't get dirty"...I have great memories, which over the years stuck. Was heartbreaking to know you are gone but I know we will see each other again. Miss you buddy...until then...*

Much love to his family.

Titus 3:7 So that being justified by his grace we might become heirs according to the hope of eternal life.

“ *My brother was taken from this earth way too young.. At 30 years old he had a massive heart attack that stole him from us... I miss him more and more everyday.. RIP Jarrod and I will see one someday again.... Love your little sister...*
