“ *My thoughts and prayers are with Chris' family.*

*Chris is what I always called her from the very first time I met her. She was my boss when I first started working at Family Counseling Center, Inc., which later became Arrowleaf. Back then, she truly did it all. I would call her far more than an office manager — she was, in every sense, a Chief Administrative Officer.*

*I learned so very much from her, both professionally and personally. It was a privilege to work with her and to meet Sean, Derek, and Toby.*

*Sean, Derek, and Toby — she always had a light in her eyes whenever one of you entered the room. She loved you so very much. It breaks my heart to imagine the loss you are experiencing.*
