“ *My Mother, Virginia Sass, recently shared with me the notice of Gig's passing that she had read in the Joliet Herald News (I believe). I was saddened, as was she, that Gig had passed away. We had known Gig well, but have not seen him since my father passed away. We wish to send our condolences to his family. And to let them know that they are in our thoughts and prayers during this time. A loss of a loved one at a Holiday time is especially noticed....i hope that his memories will carry the holiday to great heights as they remember all the good things that he did for them. Keep your spirits high, and know that we care for you.*

“ We are saddened to hear of Clarences passing. I last spoke with Clarence when he told me that he would not be able to be an election judge this past November and I promised him that I would leave him on my list for April. We will miss you Clarence and keep the Elections in the sky under control. We will be saying prayers for the family because we know that he has left a large hole in their hearts.
