“ Please know that you and your family are in our thoughts and prayers. I know you really dont know me but you know my parents very well (Alan & Carol Racey). My parents were always talking about little Cristina. If there is anything we can do for you all please let us know. We too have been thought this just a few years ago with our daughter. I know Cristina is no longer in pain and was welcomed in heaven by many other children. Just remember you little angel will always be apart of your family.

Take Care

“ I am so sorry for your loss. I don't think it matters what age God takes us it is difficult for the family to go through. She didn't get to live her life but she is with Jesus and very happy. No pain or tears. I didn't know Cristina but she has been in the prayers at my church. I pray God be with all of the family and bless you, to heal your pain and guide you through this time. -Karla Hale
