“ I am so sorry, Bruce was a guy that was just plain fun to be around. I always was teasing him about his salt intake, (which was really no joke) I use to say it looked like it snowed on his food. I have known him most my life and watched saddness in his eyes when Kitty died (the same saddness I see in my parents) but have seen his eyes light up around his other children and grand children. He was a keeper as they say in his fishing world and Herman and Dave will not be the same. The Lord received another fisher of men. Rest in Peace dear Bruce.
