Draven,

From the moment I held you in my arms I knew that you were an angel. Your Mommy & Daddy and all who met you were so in love with you. I watched you grow up in pictures and videos and on occasion the times I got to see you out with your Mommy & Daddy. We were all blessed to have you in our lives even though it was only for a short time. You touched the hearts of everyone with your beautiful smile and those big blue eyes!!! Fly high sweet baby boy! You will forever be in our hearts and on our minds.

*When God calls our children
to dwell with Him above,
We mortals sometimes question
the wisdom of His love.*

*For no heartache compares with,
the death of one small child.
Who does so much to make our world,
seem so wonderful and mild.*

*Perhaps God tires of calling
the aged to His fold.
So He picks a rosebud
before it can grow old.*

*God knows how much we need them,
and so He takes but few.
To make the land of heaven
more beautiful to view.*

*Believing this is difficult
still somehow we must try.
The saddest word mankind knows
will always be Good-bye.*

*So when a little child departs,
we who are left behind,
Must realize God loves children.
Angels Are Hard To Find!!*
