“ *Dear sweet Aunt Elaine is now with my mom and her other sisters who went before her. I can hear all of their "cackling" laughter in heaven. My sympathy to the family and especially Uncle Reggie who was by her side until the end. Alzheimer's is a devastating disease which not only takes the person but affects the caregivers as they have to watch this disease take their loved one slowly and painfully. I will be walking in Merced, CA on Oct 2 in the Merced Walk to End Alzheimer's for Aunt Elaine and her two sisters, my Aunt Charlene who recently passed with Alzheimer's also and Aunt Jean who passed with suffer dementia.*
