Kiki this is the saddest thing ever. she has been my friend since she moved there in 3rd grade. I recently moved last year on the last day of 7th grade and then last month Andrew texted me about it and I can't believe she's gone

“ *I started school there in 2nd grade and I've known her since 3rd grade. Even though I didn't always hang out with her I considered her a great friend. Sometimes she would help me with if I asked her for help. Emilia you will never be forgotten. Thank you for being a great friend to me and to others. I will forever miss you.*
