“ *I have precious memories of Louise. From the days of Walnut Hill Church up to the present. We had telephone conversations almost every Sunday. We often spoke about Heaven and how much better it would be to get there. She longed to go. So, may memories you hold in your heart, bring healing and peace to your Soul. Love, Emma Jean McDonald*

“ *Jim, Tom and families,  
Your Mom was the epitomy of a godly lady and close friend. For years she and I shared our musical talents together for no doubt thousands of people. I saw how she faced personal struggles, never wavering in her faith. We encouraged each other through some difficult times, with a hug or smile. Though 30 years her junior, I thought she was pretty "cool". Now, I recall those memories as they bring a sense of warmth and joy when I think of my fellow musician, Louise. Bless all of you, Rick Parks*

“ Louise was one of the kindest, gentlest people that I have ever known. I have very warm memories of her while growing up at Mt. Zion. I know that you are going to miss her so much, but when one of our old friends passes, I am thinking that Mom and Dad are now enjoying their company in heaven. Your family is in our thoughts and prayers. Love to you all from Larry and Sharon (McClerren) Bowman.

“ Jim & Family,  
You had a beautiful mother, and I know that her passing leaves a void in your hearts. How sweet to know that she is home where we shall all soon be; and that when we join her there will be no more goodbyes. May the Lord that has purchased that blessed hope comfort you in the days ahead.
