“ *I have so many fond memories of Flo. She was my Sunday School teacher as a middle schooler and she threw the best class parties! She was a favorite. I remember her from Old-Fashioned Day and many other occasions together. We sat a number of times in her breezeway and chatted. She came to Angel Acres when my Dad was there, and we were able to visit again. I smile when I think that she has now met the Savior and will have no more pain.*
