“ *Sandy, whom I had worked with for several years, as well as Delores and Judy, whom I do not know very well; I am terribly sorry for your loss. I didn't get to spend as much time with Flora Alice as I would have liked to, but those times I spent talking to her were great none-the-less. I was sorry to hear of her passing and I am sure I will miss her even more, come July. She was truly a wonderful person and she will be greatly missed.*
