“ We miss Gary and Ruth being our neighbors. We knew he was always there if we needed anything. He and Harold had lots of talks on the mowers at the mailbox. So sorry you have lost your Dad. There is nothing like a Dad.

“ Many years ago Sherman and I set out on a mission to help protect our family and friends with a fire alarm protection for their home. Gary and Ruth were one of those visits .. while we were there Gary told us he was also selling fire insurance. We were surprised and curious so we asked about it . He began sharing the gospel of Jesus with us and invited us to church .. we both claimed Jesus as our Savior but had been out of church for a long time .. the next Sunday found us and our young family walking through church doors again .. we have never turned back and are where are with the Lord today largely because of his witnessing to us We can never thank him enough.
