“ George *"Bud"* Stout

January 30, 2023 at 12:19 AM

“ My wife Shirley and I send heartfelt condolences to Bud's family and other friends. Bud occupies a special place in Joe's memory, as Joe was one of many friends of Bud's wonderful parents, George and Dovie Stout and stayed overnight at their home. Also, Joe and Bud spent the summer of '56 working as a three-man team with Truland Branscom hauling hay for farmers all over Johnson County. Bud was a fun-loving good-hearted soul who will be missed by all who knew him. Joe Goddard

“ Bud always had coffee with his farmer friends and introduced me to all of them. He treated me as a brother. We spent lots of time in his truck looking for turkeys and deer It was a great experience for me. Glen and I had lots of fun hunting with Bud for pheasant with the dogs at Rend Lake.

Our family will never forget him and his family.

Love, Ed, Maryann, Glen and Gail

“ I considered Bud as another grandpa to me. He was always asking about school and sports. He encouraged me to keep playing ball and to go on to college ball. His jokes and smile will be missed but I know God will love his sense of humor just like my family and I did. You are forever loved Bud.

Our prayers go out to Sally and family. I'll always remember Bud coming into the office (Farm Service Agency) taking care of farm business but mostly for the stories he would tell. Always chuckling along as he told them. Some sounding a little "tall" but his greatest chuckling came when he could relate something about Sally. I never doubted her place in his heart and his life!
