“ *Jeannie, I saw your Mom's obituary in the paper and want to extend my sympathy in your loss. I hope you remember me - I used to come to Vienna each summer and spend a week with John and Alta Mae Scarlett. I have many fond memories there, including playing with you. Your Mom was always real sweet to me. Reading about her life brought back those memories. I am happy that she had a good and long life. May those happy memories comfort you. Sincerely, Shirley##imported-begin##Shirley Bean Harris##imported-end##*
