“ I remember going to Mary's house to spend the night, no matter how loud we were, or how late we were up, he never once ask us to keep it down. He loved his kids and family. Mary I am so sorry for your loss. As long as you have your memories, you will always have him with you. Never let go of those special moments. There's holes in the floor of heaven, and he will be watching over all that loved him. You are all in my thoughts and prayers.

I remember living in uncle buddy's home while my dad was off doing his thing . I lived there with my little sister Joyce and my little brother Robert . Uncle Buddy could not afford us being there but I never heard him complain . The lord loves people who give and love as much as uncle buddy did ..I know he is one of the lords most beautiful angels.God bless
