“ *Shelby was the worst mother you would ever want. She was an alcoholic and a slut. I am so glad I let home when I did. Yes, she was my birth mother but my real parents are my adopted parents who I love so much. My birth father was also aneed alcoholic who also slept around. I have not seen him since I ran into him in 1975 at McDonald's. He would not even talk to me. It was like I was a stranger. Couldn't happen to better people.*
