“ *My mother-in-law was an incredibly caring person who loved her family and was loved by her family in return. She was at her best when she was helping others. Over the 30+ years I knew her, she taught me many things and I am eternally grateful for the husband that I was blessed with as a result of her love. Thankfully, I have some of the many recipes for the wonderful dishes she prepared for us over the years. So, I can continue the tradition of her delicious southern-style home cooking. Mother will be missed, that is for certain. But, her legacy lives on in her children, grandchildren and great-grandchildren and in the work she accomplished with her fellow members of The Eastern Star organization. Rest in peace, my dear sweet Mother.*
