“ Not only was she my best friend but she was my other half. Jaimee always saw the best in people as well as the potential that I had. She was my rock... She always made me feel special and loved. I've lost the part of myself with her passing I just thank God for all the time he gave me with her. I've known her since high school. Jaimee definitely changed my life for the better. Thank you for all the wonderful memories I will always cherish. I never told her goodbye, I always said later. See you again someday. Later sweetheart.

I worked with Jamiee for many years at BC/BS and WPS. I admired her love of family, her mother, Brian and Jaxon. I was so proud of her determination to get her RN. Her love of travel. Always fun, always kind. Heaven will be a better place with her there.
