“ *I just want you to know that I am sorry to hear about Jim. In the time that Jim and I worked at Harrah's, I never saw him without a smile on his face. He was well liked and respected. I will miss our talking with him. May God be with you and always remember that even though he's gone, he's still with you in thoughts and in your heart.##imported-begin##Matthew Prewitt##imported-end##*
