“ Dear Family
It is with a heavy heart for your loss. She was my childhood friend and I loved her as a sister....Linda I know your love and care was so appreciated and needed. She is not alone, all that have gone before her came to carry her to God .
My favorite memory was when we were maybe 10 Jo found a little green garter snake and was playing with it and I kept tell her to stop, and sure enough it bit her on her thumb and she threw it down and threw up. We spoke of this last time I saw her 2011 and shared a laugh.
God Bless you and comfort you at this time of sorrow.
