“ I live north of Salem. My family knew John and recommended him when I was looking for someone to spray at our house. He has been coming twice a year for several years now. He would come spray and we had a conversation the whole way through the house. The conversations continued even after he was done. I'm sure Luke was sitting in the car wanting him to hurry up and get to the next job. He was just here 3-4 weeks ago and we talked about his family. He showed me pictures of Reed and his grandsons. He was proud. We knew a lot of the same people from this area. I bet he didn't know a stranger. I will miss our chats. I am so very sorry for your family's loss.
