“ So sorry to hear of Josie (Oma's) passing. She was a big part of my life years ago. She was married to my dad for years. I had only seen her once since she moved to Illinois after my dad's death and that was in North Carolina when my brother was losing his battle with cancer. Here are a couple pictures from our trip to Oktoberfest. Josie and I and grandson (my son) Dustin. Fond memories of the great time we had.
