*My condolences to the entire Pinkous family. I am terribly sorry for your loss. Your mother was an angel here on earth. She was a mother to me as well as a friend. I cherish the time that we spent together. I was looking at the pictures that Marilyn posted and it looks like she lived life full of love and family as I know that was very important to her. Again my prayers are with you all, love Dave Johnson.*

“ *I miss you now and always will. Judy and I were very close in age and spent our childhood summers together. We were more like sisters than aunt and neice. I will remember you with the deepest of love forever and ever. Love you , Judy*
