“ I met Kathy in 1977 and instantly loved her. We've shared so many memories, events and fun through out the years. Life took us in different directions, miles apart but never took our love away. The best days were hearing Kathy's voice over the phone, flying into Illinois excited because I knew she would be there with Jared and Lucas. Kathy always had a beautiful smile that lit up the world. Kathy's sense of humor was amazing and used it a few times to bring me down to earth or make me laugh when I needed to cheer up. Her hugs brought comfort and got me through sad times.

As I've spent this past few days trying to find an answer to why she was taken from us, angry because I was excited to see her next week , craving one more hug, one more laugh with my dearest friend. I have so many memories of our lives together, sharing everything and watching our children grow. I'm proud to have known Kathy- a wonderful mother and human being, never judgemental, always loving.

I sit here and wonder how will I ever live without her, what kind of world will all of us will have without her. I feel blessed and thankful God brought her into my life.

Rest in peace my friend. My heart goes with you. I miss you. I love you forever.
