“ *I am very sorry to hear of your loss. The lost of a loved one grieves the heart and words are never enough to take away the pain. However, our Heavenly Father knows your grief. As a loving and caring Father, He will be there to comfort and sooth your "broken-heart and crushed spirit". (Psalm 34:18). May you find comfort and hope in God's promise of a day when you will reunite with your loved one again. (Isaiah 26:19). My sincere condolences to the family.*

“ The word that you couldn't use in front of him was f***. HE said that was really bad to use. He will be missed. I loved how he use to joke around with us as children. May God give the family peace at this time of need.
