“ *My dear brother how deeply saddened I am, we had some good times, bad times, sad times, and hard times, but we had some really Great times, and that is what I will cherish forever. Gone too soon, hard to soak this all in. But in my heart I will keep a cold one on ice and the grill hot for when I see you again. I love you Kevin I never got to tell you by so I will just say see you later. Forever in my heart and always on my mind. RIP hon.*

“ *Kevin you will be missed by so many. I was fortunate enough to be friends with your sister Gina and watching you grow up. I remember you talking about having your first child. How proud you were. I know there have been some difficult times in your life but you maintained yourself a shining soul.  
You became friends with Lauren and we all spent so much time together.  
Rest jn peace sweetie . Hug my baby girl for me!*
