To my little brother Larry Eugene King who I used to carry around on my hip when I was about 10 years old. I being the oldest was the babysitter. Larry was a lifelong friend as well as a loving brother. He loved his community and is well known in Cypress for helping his friends and neighbors. He also loved his family and kept in touch with us weekly. He had planned a trip to Florida in February. He will be missed so much. My sisters are could not be there because of the weather but our thoughts and prayers are with our sister-in law Jean, La Rae and Jason as well as all the rest of his family. Love and prayers we know that all was well with Larry ,and he is with the Lord today.

God Bless

Marsha
