“ *Linda is my nephew Mike's wife. His Mom and I drove down from Wilmington to visit Mike and Linda in Vienna. I had not met Linda before but we were welcomed into their home as if we had known each other for years. She was so nice and made us feel at home immediately. We had such a nice weekend with them and couldn't have felt more welcome. I really liked her and I'm so glad I had that opportunity to finally meet her. My heart goes out to Mike and her family.*

“ Today yesterday tomorrow I continue to question WHY as I pray argue within myself. Trying prying digging for the courage. Then like a whisper in my ear A calmness set into me, that only one voice could do this easiness in which I can't explain overwhelming in fact. The voice whispered I'm free of , of sorrow do not miss me I am here just call on me I am within you. Then as I reached for the phone to call you .the voice, your voice reminded mead so many times before This to will pass my son this to will pass Live love respect one anther My whole life teaching I love you mom

“ A highlight and most favorite time of my childhood was when Aunt Linda would come to visit. She would cut my mom's (her sister Susie) hair and my mom would "perm" her hair! She would bring the kids and make a day of it! We always had such a good time and at the end of the visit all had belly aches from all the laughs! She would call me "Jessitah" and ask me what was wrong with me. She would ask - :Do you have brain damage"? I would tell her "Yes, it's hereditary, it's passed down from my aunts"! Will treasure all those memories and will miss you so much,

“ My Aunt Linda was known as "The Cool Aunt " she was so much fun to be around. Always joking and having a blast with whoever she was around. One time we gave her dog a Slow Gin Fizz, we got in trouble for it too, lol not really she just had to act like she was upset for a minute or two!! I love you and will miss you terribly!! Go rest my sweet Aunt!! Love Teresa (your favorite niece 🍷)
