“ *Linda Lou was my oldest and dearest friend since 6th grade. We've shared so many great times together. We grew up together, we were baptized together, we got married together. We have shared so many wonderful times and we have fought sorrow together as well. I would trade any of those times for anything in the world. Here's to the midnight cruise in the 67 mustang at 13 years of age.... to all the wild and crazy escapades while in high school.... the insane horseback riding when I lost my saddle at Mary and Rogers house. Thank you for letting me baby sit little John. You prepped me for being a mom myself! Soooo many happy memories. Till we meet again in heaven. I love you dearly ❤️ I'm so sorry you left us too soon*
