“ To Angie, Shannon and all the family, Although you girls were a very young age when I went to nursing school with Linda, I can remember her speaking of her girls and how proud she was of both of you! Your mother was a kind and caring person and so much fun to be around. On days of a big test, we would meet at West Vienna and ride together so we could quiz one another, those were fun days! I am very sorry for your loss and pray your precious memories help ease the pain of the difficult days ahead! Take Care.

“ Those of us from the Class of 73 are terribly saddened by this news. I will always rem' Linda's smile and that very special laugh. The past few years, we would solve the world's problems as we saw each other in Wal-Mart. She was a wonderful classmate, friend and human being, who will be missed by those who knew & loved her; yet, always remembered by those people as well. So long for now, Linda, until we meet again. If I know the Truckers, we will still have reunions eternally!

Angie and Shannon and families.. I'm so sorry for your loss. Your mother babysat my children when she was around 15 or 16 and we lived at Vienna. She had a smile that would light up anyone's day. I never got to really talk with her after I started teaching and realized that Shannon was her daughter. She was super nice and never lost her smile regardless of the circumstances. May God bless and comfort you now and in the days ahead.
