“ *Lodema was my grandma through marriage to Angelo. We lost contact then found each other for a small period of time then lost again. She was a dear woman I will forever remember.*

“ *Lodema was a laughing/smiling (always), singing, interesting, dedicated, hard working Christian friend I'm thankful to have shared times and places with her for many years. She drove her car to take her Sister Mary, her cousin, and me to Wyoming to help missionary friends we knew with their projects, and to do VBS with children of the Shoshone Indians. We went to Baptist meetings and worked on projects in Chicago, Springfield, etc. She also invited her WMU friends to her beautiful house, which she built back in home territory after she retired. She shared her home - all of it- plus one summer a special outdoor meeting using its very large lawn and fun signs and attractions in the trees. She knew how to add fun and food, while joyfully giving her testimony and teachings of God. She was a true lady with too many talents to list, and a beautiful Christian heart. God bless you Lodema, and enjoy Paradise until we meet again.*
