“ *My family and I send our sincere sympathy to Aunt Lora's family. I will miss her. We were close while I was growing up, and I cherish every memory I have of her. She has a special place in heaven because she was such a loving and caring person. I'm blessed that she was my Aunt. May God bless all of you at this sad time.*

*When I look back upon my life
No matter when or where
At every age and step and stage
Mom, you were always there...
You made me feel so safe so loved your kindness meant so much
I still can hear your words of cheer
And feel your gentle touch
When I'd set out to bring about
Some special dream or plan,
Your pride in me was plain to see
You were my biggest fan...
You'd hang in there to help me bear the stresses and the stings
And always know when to let go
So I could try my wings...
And still today I'm glad to say
I feel your loving care
In the deepest part of my grateful heart
Mom you are always there!*

*I think this is your mom!
Love you all, Cheryl Nowak (Maxine and Bryan Johnson's daughter)*

“ I worked with Lora at the Creal Springs Nursing Home and at Fountain's Nursing Home. She was a very dependable and caring nurse. When she was working, I always knew the patients were not only given the best of nursing care, but they were also shown love and compassion! I not only loved her as a fellow nurse, but as a wonderful friend. We lost touch after Fountain's, but she had and always will have a special place in my heart.

May God bless all of the family, and may you all have comfort in knowing that she is no longer suffering, but is now whole and in the presence of our Savior, Jesus Christ!
