“ *Patty and Jeffords Family, I just learned of Melvin's passing. I know this is a very difficult time and I send my condolences. I have fond memories of Melvin at the Philips meetings and when we met ya'll at Bristol. He had me detour Patty from her trip to the grocery store to escort us to their house -it was for her surprise party. She thought I was crazy. He also taught me (or tried to) to two-step. He was very loved and will be missed greatly.*
