“ I'm Michael Bagby, his son. He is on my birth certificate, I was born in Detroit Michigan while he was married to my mother, Lynda Pierce. He worked at a gas station. They divorced soon after. Met him at the age of 19 for the first time. He wanted to get to know me, so he invited me up to Seymour to visit. Stayed a couple weeks and his wife at the time, Sue, made him kick me out so he dropped me off on the interstate with \$9.00 in my pocket and I hitchhiked home. It's very upsetting to not be mentioned in his obituary at all. The obituary is clearly wrong. Thanks for the hitchhiking memories SUE !!!

Your Uncle Tom was in charge of Mike's arrangements. He was Mike's next of kin. He took care of all arrangements and fee's. He said he attempted to notify you & your sister through your Uncle Terry. Apparently he wasn't able to Locate either if you. That's something you will have to ask Tom. We were in Mike's life since early 1970's. Never heard him mention either of you. Sorry you never knew your dad. He was a wonderful man. A great step-dad to us. Again I'm truly sorry but you should talk to your uncle.

“ I’m very upset, Mike was my dad. I’m Melanie Bagby Robinett. No one even notified us about his passing. And, my children and grandchildren weren’t even mentioned. He has a whole side of family, and the Morris’s never even tried to notify us.
