Hirsch store (not sure it is spelled correctly) many years ago, and continued to display the same while at the Dollar Store. She was loved, respected, and admired by many. She will be greatly missed.*

“ *John I am so sorry for you and your family on the loss of your mother, a sweet, gracious, loving lady. I remember the time I called her to see if she would consider altering my son's military shirts and pants. She asked when I needed them and I told her 2 weeks. she said bring them to her that evening. 4 days later she called and said she had them done. She would not accept any pay. The reason was she was more than happy to do her part in helping an 18 year old who was serving her country. What a beautiful person with a heart of gold.*
