“ *There's a saying that goes, "Dynamite comes in small cases." That quote adequately and affectionately fit Nancy. She was always on the go...mowing her yard....sitting on the big John Deere mowing pastures. She took excellent care of four horses, her dog Reba.....and a stray cat or two. When she did things...she would go at it 100%! She was an active member and officer for years in the Shawnee Trail Conservancy...and once again, she was highly motivated in promoting trail riding in the Shawnee National Forest. Her fervor for the use of equine trails was unmatched.*

*Sophie and I will miss her. But each time we are on the trail, Nancy will always be in our thoughts.*

“ I was so sorry to learn of Nancy's passing. I have many fond memories of time Glenn and I spent with her and Darrell when we all lived in Aurora and were a part of the AT&T family. She and I have kept in touch during the holidays for many years ... I will miss hearing from her. May happy memories carry those of us whose lives she touched through this sorrow.
