“ Dear Helen,\n I am so sorry to hear about Norris\' death. He was such an inspiration to me. His love for God was always relevant in everything he said and did. He was more than a friend, he was a model of what Christ would want from each of us. I will always remember him for his kindness and caring. I could always talk to him and tease him--what about those white socks?\n I will pray for you through this difficult time. I miss you very much. Stop by when you come this way and visit.\n Love,\n Shelley###imported-begin###Shelley Farnam###imported-end###

“ Helen and family, Joyce and I were so sorry to read that Norris had passed away. I remember the time when you moved into the Park. It seems like just yesterday when it was some 29 years ago! I always enjoyed talking with Norris and helping both of you in anyway I could. I hope he knew that. May God be with you now in this time. We will keep you in our prayers and hearts.
