“ *Vivian is what we called her. She was always so loving to me since I met her when I was 3 years old. I loved watching her when she did manicures. She would mix colors to come up with a unique color. She taught me how to give myself manicures. And till this day I still do what she taught me. I always think of her when I'm polishing my nails. She was very special. I will never forget her. Roly and Bobby, I love you guys. We grew up as cousins. I understand what you are going through. You both are in my prayers and heart. I'm here for whatever you need. 🥺💕*
